## DESIGN EXPERIENCE

### **Zoom Delivery, UX Designer**

May 2023 - PRESENT

Zoom delivery is a Drone delivery app created in my UX Design course. Here I fulfilled a User Research, Competitive Audit, Wireframe and Hi Fidelity Prototypes.

### **Davey Resource Group (DRG), — Design Engineer**

August 2023- PRESENT

DRG is a innovative Telecommunication company, here I designed 2,100 full cycle design proposals from strategizing to Exhibiting.

I overall and executed designing and cost analyst across two separate teams simultaneously. I also collaborated among coworkers to help find creative solutions to design challenges.
